## NONCOMPLIANCE SUMMARY

I allege Ronnie Lee Cruickshank has violated conditions of supervision by:

| Violation<br>Number | Nature of Noncompliance  |
|---------------------|--|
| 1.                  | Consuming alcohol, on or about July 14, 2023, in violation of a special condition of supervised release. |

### United States Probation Officer Action:

On July 14, 2023, Mr. Cruickshank provided a urinalysis sample which returned presumptive positive for alcohol. When confronted, he admitted to consuming alcohol on or about that date. He seemed immediately remorseful and stated he was “just very hot that day” and thought a beer sounded good. Mr. Cruickshank states it was a one-time slip up and he understands he is not allowed to drink alcohol while on supervision. He admits that alcohol “does [him] no good.”

Mr. Cruickshank is in compliance with all other conditions of supervision, and this violation seems to be an outlier in his overall performance. He seems motivated to comply with his conditions of supervision and communicates a motivation to desist from any further alcohol use. Mr. Cruickshank’s drug testing frequency has been increased to better monitor any new drug or alcohol use. I respectfully recommend the Court endorse my admonishment of his alcohol use and take no further action at this time.

I consulted with Assistant United States Attorney Tom Woods, and he concurs with my recommendation.

I respectfully recommend the Court endorse my actions.
